

Project Playhouse

April 14-24, 2016

Discovery Green®, 1500 McKinney St., Houston, TX 77010

Project Playhouse Construction Guidelines

In order to ensure safety of visitors and playhouses, these guidelines must be followed.

- Maximum Height, 8'0", Maximum Width: 7'6", Maximum Length 8'6"
- Must be easily lifted by a forklift
- Must be designed for outdoor use
- No sharp edges or unfinished materials
- Doors must lock
- No live plants are permitted
- All openings (windows, etc.) must be securely covered with ¼" Plexiglas
- No company logos or signage should be on playhouse (display signage will be provided)
- Builder is responsible for transporting the playhouse to Discovery Green® and to the winner.

Materials

The playhouses are moved to Discovery Green® by manpower and forklift. Please do not use heavy materials like stucco, slate, stone, or steel.

Exposed Dangers

The playhouses will be viewed and touched by thousands of people, including children, please pay special attention to exposed corners, exposed nails or screws, sharp edges, and/or unfinished materials. It is the responsibility of the builder to add Plexiglass to all openings and if broken during the event, the builder must replace materials.

Signage

Girls Inc. of Greater Houston will provide all signage, conforming to the requirements of Discovery Green®. Please do not attach or alter signage in front of playhouse.

Appearance

Each playhouse is considered a piece of art by Discovery Green®, their visitors, and the winners. Please keep this in mind when choosing a design, painting, and finishing the playhouse. Props and toys enhance the overall look and desirability.

Transportation

Playhouses must be delivered to Discovery Green® by April 13, 2016. Girls Inc. of Greater Houston will contact you to schedule delivery.
